The Superintendent Logistics,  
Sri Lanka Navy — Welisara (Western),

**Subject: Request for Item Sample(s) for Accurate Supply — Order WNA/APOW/PO/2026/1825**

Dear Sir,

We thank you for the above Purchase Order in respect of vehicle **Mitsubishi L200 Double Cab (NAHA6450)**, Chassis No. **JMYJNK340WP009728**, and we are pleased to attend to the supply.

In the course of sourcing, we find that a few of the requested components need to be confirmed against the actual fitment of the vehicle, as certain parts on service vehicles are, in the course of use, **modified or replaced** and may vary from the standard catalogue specification. To ensure that the **exact and correct part** is supplied — and to avoid any mismatch or delay at the point of delivery — we respectfully request that a **physical sample** of the following item(s) be made available to us for verification.

| No | Item Description                                            | Qty |
|----|-------------------------------------------------------------|-----|
| 1  | Door Lock Handle Outer Complete Assy Front LH/RH            | 2   |
| 2  | Door Winder Regulator With Handle Complete Assy Front LH/RH | 2   |
| 3  | Center Mirror                                               | 1   |

On receipt of the sample(s), we assure you of the **prompt supply of the correct items**, in keeping with our commitment to quality and dependable service to the Sri Lanka Navy.

We are grateful for your kind cooperation in this matter.

Yours faithfully,

**For NGRD MOTORS**
